

Quinta Bonita

Here's where you'll find us... From Lagos

Quinta Bonita is conveniently located just outside Lagos, close to the N125 road which runs the length of the Algarve from Sagres to Spain.

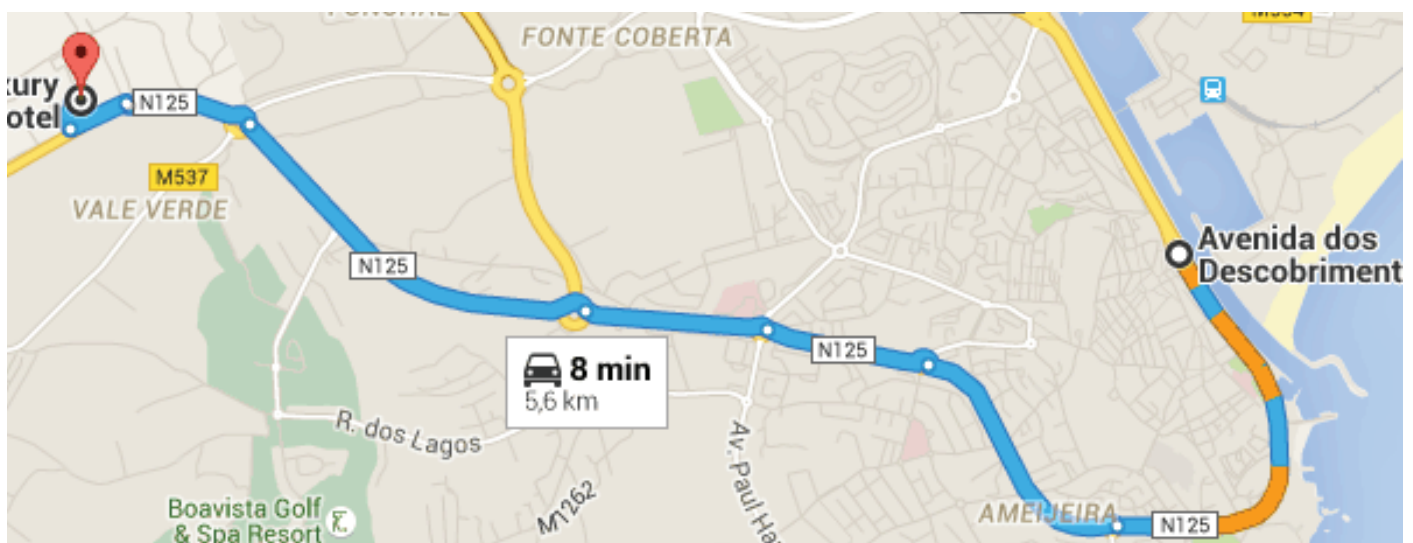

The journey should take you about 7 minutes (4km).

- In Lagos, drive along the main thoroughfare - the Avenida das Descobrimentos.
- Keep the canal and the Marina on your left and follow the signs to Sagres. This road is the N125.
- Continue on the N125 over several roundabouts and passing the Boa Vista Golf Resort on your left.
- At the next roundabout continue straight on over the roundabout, sign posted V. Do Bispo, and continue on N125 for about 200 metres.
- You will then see several white walls on the hill to your right, turn off the main road immediately after the overtaking sign to your right and immediately turn left to follow the road along the wall which runs parallel to the main road until you come to the end of the wall and a steep road leading up the hill to the right. Quinta Bonita is half way up the hill.
